Dedication

FATHER LAWRENCE JOSEPH MONVILLE, S.J. has been with John Carroll University since 1943 when he joined the staff as an instructor in physics. His drive and interest have made the department almost unique in a liberal arts college. Today one out of ten students is graduated with a physics major; contrasting with the graduating class of 1942 which had one physics major and a staff of three instructors. Father Monville's warm personality and accomplishments have generated the respect and affection of all his students. We on the *Carillon* staff are proud to dedicate this book to his outstanding work.

The President Hugh E. Dunn, S.J. Ten Years of Progress

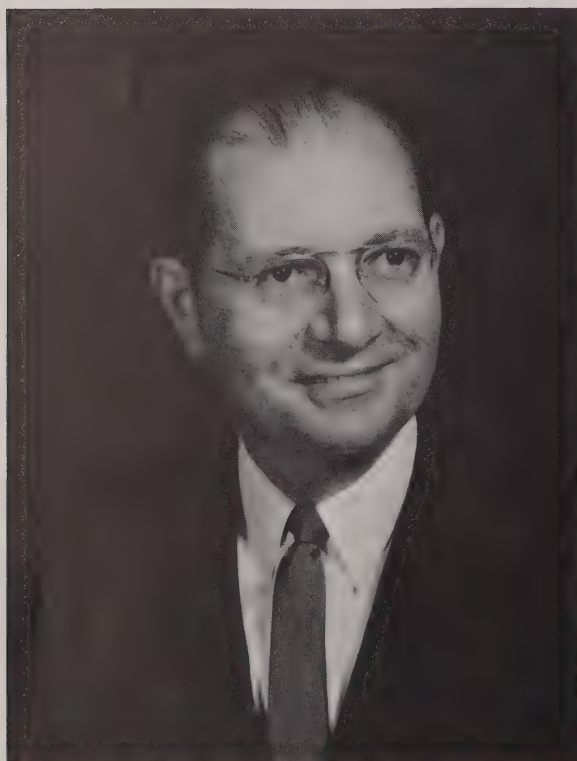

Ten years ago a young, vibrant Jesuit was ordered to Cleveland by his superiors to assume the presidency of John Carroll University. Since then the school and the man have become synonymous. Four major buildings—a gymnasium, a student activities center, Murphy Hall dormitory, and the Grasselli Library—have been completed during his administration. Still, our president is not content to rest on past accomplishments. The start of the new science building has opened a new phase of development. We may only hope that Fr. Dunn's "second" Decade of Progress is as successful as the first.

The Supreme Court

The 1966-67 Carroll Union Administration sought progress through responsibility. Under the able leadership of Tom Murphy and his fellow officers, the Union reached that goal. New areas for Student-Faculty-Administration discussion were opened and understanding pursued on each level.

It was a truly fine Carroll Senate that rewrote its entire Constitution, making each point agree with the purpose and goal of the body.

1966-1967 was a year of progress for the entire Carroll Union.

President, Tom Murphy and his cabinet: *L. to R.* P. Schmidt, R. McGee, W. Griffin, T. Murphy, J. Pietraszek, F. Kyle, D. Smith, R. Bircher.

L. to R.: W. Evans, D. Ruminski, L. Szalay, R. Kosak, T. David, E. Brigante, J. Hehnen, D. Dolney, F. Kyle.

In its eleventh year on the John Carroll Campus, Alpha Kappa Psi continued to contribute to the University.

Honor for those students excelling in scholarship, loyalty, and service is the purpose of Alpha Sigma Nu. Chosen by chapter members and the President of the University, students belonging to the Jesuit Honor Society sponsor lectures, informal discussions, and classics of the motion picture industry. All of these activities are aimed at the intellectual and cultural development of the entire university.

Beginning with a lecture during Orientation Week and ending with the Honors Convocation in May, the 1966-67 academic year saw many important contributions by Alpha Sigma Nu. With Sal Catanese as president, the chapter continued its fine programs of student involvement.

CIRCLE K

The officers of Circle K: A. Ziccardi, T. Davis, N. Bush, W. Griffin, J. Pietraszek, T. Dempsey.

The Circle K Club, a service organization fashioned after Kiwanis International, was chartered on the Carroll campus in March, 1965. Sponsored by Cedar Center Kiwanis, the Carroll chapter is assisted by these men in rendering their service to JCU.

With this joint cooperation, some fifty trees were planted on our campus during the past year. Membership is by invitation only, with each member sponsoring one new man per year. This past year Circle K continued a faculty-student basketball game and helped with Parent's Weekend.

The men of Iota Chi Upsilon have always been synonymous with hard work, spirit, and the traditions which have made Carroll great. Under the presidency of Bob Carey, they have maintained and enhanced this reputation. Outstanding performances in the Union, in intramurals and at Homecoming earned them the respect of the entire campus.

French Club

This year, under the supervision of its moderator, Mr. William G. Akers, the French Club offered a well-rounded schedule of events for its members. Guest lecturers included Mrs. Raymond Ludhe, who spoke on "French Music" and Dr. Rene' Febien, who gave to the Club his "Impressions of Contemporary France". In addition to the French movie "Passion for Life", the French Club also had its annual Christmas Party. The biggest project this year however, was the annual Mardi Gras Dance, which was sponsored by the French Club in conjunction with the Spanish Club.

Spanish Club

Ruben Dario offers under the leadership of Mr. Nion Iorillo a number of lectures and Spanish-American films each semester, the purpose being the cultivation of an interested student's knowledge of Spanish culture.

The annual Mardi Gras, sponsored jointly with the French Club's linguists, was the usual pre-Lenten social success. The proceeds from this gala festivity provide scholarships for deserving students.

During the 1966-1967 school year the John Carroll University Band performed in several different capacities. They began the year by providing *half-time entertainment* at all of the home football games as well as two of the away games; they also enlivened school spirit by playing at some of the pre-game rallies. When the football season had ended, the University Band moved into their *concert schedule*. For the first time, they performed three concerts, a tradition they hope to continue in the future. The Band also performed several selections for Parents' Weekend.

Besides performing as the University Band, they also perform as the John Carroll ROTC Band and during the past year they took part in the Washington's Day Parade in downtown Cleveland as well as the annual Federal Inspection. The year was highlighted by a trip to participate in the National Cherry Blossom Festival held in Washington, D. C. In this parade the Band marched in their ROTC dress uniforms, but represented the entire University.

Guiding the Band over the past year were Mr. Jack T. Hearn, Director; Jerry Uranker, President; John Berkenkotter, Vice-President; Bill Trost, Sec'y., and Ed. Christy, Treasurer.

PHI ALPHA THETA

Since inspection in 1959, the Eta Alpha Chapter of the National Honorary History Society, Phi Alpha Theta has fostered a program of continued study and research on historical problems. Contemporary controversies highlighted this year's agenda with St. Louis University's Dr. Jose Sanchez' lecture on "Anticlericalism" typical of the Society's endeavors. Eta Alpha also furthered Carroll's intellectual atmosphere through sponsorship of films during the semester.

Guiding Phi Alpha Theta this year was President Donald Rocen aided by Vice-President, Robert McCarron; Secretary-Treasurer George Nicola, and Historian Robert Becht under Moderator Dr. Pusateri.

The John Carroll University Glee Club, Beta Tau Sigma, successfully continued its fine tradition of "Brotherhood Through Song" in dutiful service to the University by representing and furthering the name of John Carroll to new audiences both at home and away. This eventful year was undoubtedly the most active in the Club's eighty year history.

Besides hosting such old friends as Barat College at Lake Forest, Illinois, the Club introduced Maryville College from St. Louis, and Our Lady of Cincinnati College to the Carroll campus. "Tour '67" included a television appearance in St. Louis and a concert with Maryville College, succeeded by other concerts with Saint Xavier and Mundelein Colleges, both in Chicago. In addition to these customary formal concerts, the Glee Club provided entertainment for several Cleveland banquets and Alumni functions.

Concluding the year's activities was the cutting of a new record, thus successfully fulfilling the Glee Club's persistent endeavor of distinguished service to John Carroll.

The 1967 Carillon tries to portray Carroll in all its color. Though any attempt is inadequate, our small effort, we hope, catalogs once again the activities and efforts of the John Carroll Student Body.

The book is a product of many hours of planning, creating, selecting, rejecting and hoping. Its publication is really a credit to the efforts of a fine staff. To the ever-present critics we remind: "To err is human, to forgive divine".

R a n g e r s

Newly-formed this year the John Carroll University Corps of Rangers seeks to train interested cadets the art of guerrilla warfare. So far, John Carroll has not suffered one case of subversion. A truly remarkable effort.

The Carroll Chapter of the National Defense Transportation Association is composed of students interested in all aspects of transportation; rail, water, air, highway, and pipeline. A motto for this campus organization may well be: "At home on Land, Sea, or in the Air".

The N.D.T.A., a Chapter of an International Association of Military Personnel and Civilians, is devoted to the study of the problems relating to transportation in the defense of the United States.

A.U.S.A. is one of the excellent methods that Army Advanced Corps, R.O.T.C. Cadets compete with similar organizations in other Services. The Association of the United States of America keeps the cadet alerted to changing conditions in the strife-ridden areas of the world.

The members of A.U.S.A. pose in true military distinction. From Mike Flanagan to Dan Fallon, these advanced corps officers prove their devotion to their service by distinguished participation in extra-curricular activities.

SCABBARD and BLADE

The National Society of Scabbard and Blade was founded in 1905 and is a military honor society dedicated to produce better and more efficient officers for the armed services. Our chapter at John Carroll was established in 1953 and is designated Company H, 10th Regiment. This past year Scabbard and Blade sponsored two record breaking Blood Drives, conducted R.O.T.C. talks at area high schools, sent representatives to various local dignitaries' funeral, supplied Labor Details for both military and non-military functions, and held the Seventeenth Annual Military Ball, the best formal dance on campus.

Cheer up boys, it beats a duck landing on sand.

It's the Advanced Corps Officers and their Senior and Junior Sponsors.

With the intention of upholding a tradition of excellence in the First Regiment, Company M commenced the year under the experienced leadership of Capt. David M. Burdelak. Veteran members had scarcely returned to the University before they began once again to display their usual spirit and enthusiasm in activating the Company for the coming year.

Under Pledge Officer Frank Wardega, the pledge program was soon in full swing. The most comprehensive program in recent years, it included a Big Brother system for academic help to pledges, a pledge car wash, and a Halloween "trick-or-treat" for a local orphanage. Drill training, with that "little bit better" M-1 sharpness, paid off as both pledge teams took awards at the First Battalion Pledge Drill Meet. The program climaxed with the initiation of twelve new members at the Initiation Ceremony and Dance in January.

Hosts at the civic dinner paying tribute to Father Dunn on the anniversary of his 10th year as president of John Carroll, were from left: Hugh M. O'Neill, chairman of Anchor Motor Freight Company, Inc.; Thomas F. Patton, chairman and president of Republic Steel Corporation; H. Stuart Harrison, president of Cleveland Cliffs Iron Company; Wade N. Harris, chairman of Midland-Ross Corporation; John H. Sherwin, president of Pickands Mather & Company and chairman of the civic committee; Maurice Saltzman, president of Bobbie Brooks, Inc., and Robert F. Black, chairman, executive committee, White Motor Company and chairman of the John Carroll Board of Trustees. George M. Humphrey, honorary chairman of the M. A. Hanna Company, is not shown.

Ralph Besse introduces Father Dunn

As Father Dunn said to the huge audience on October 17: "It is true in a real sense that what John Carroll has accomplished in the last 10 years is what you here have accomplished for Carroll and with it, for at this gathering are not only our students, faculty and alumni, but the civic community which has provided the financial and moral support upon which our future is built."

a Moderator Departs

Dr. Richard J. Spath, dean of the Graduate School has been named president of St. Francis College in Biddeford, Maine. St. Francis is a co-educational Franciscan institution which is rapidly growing.

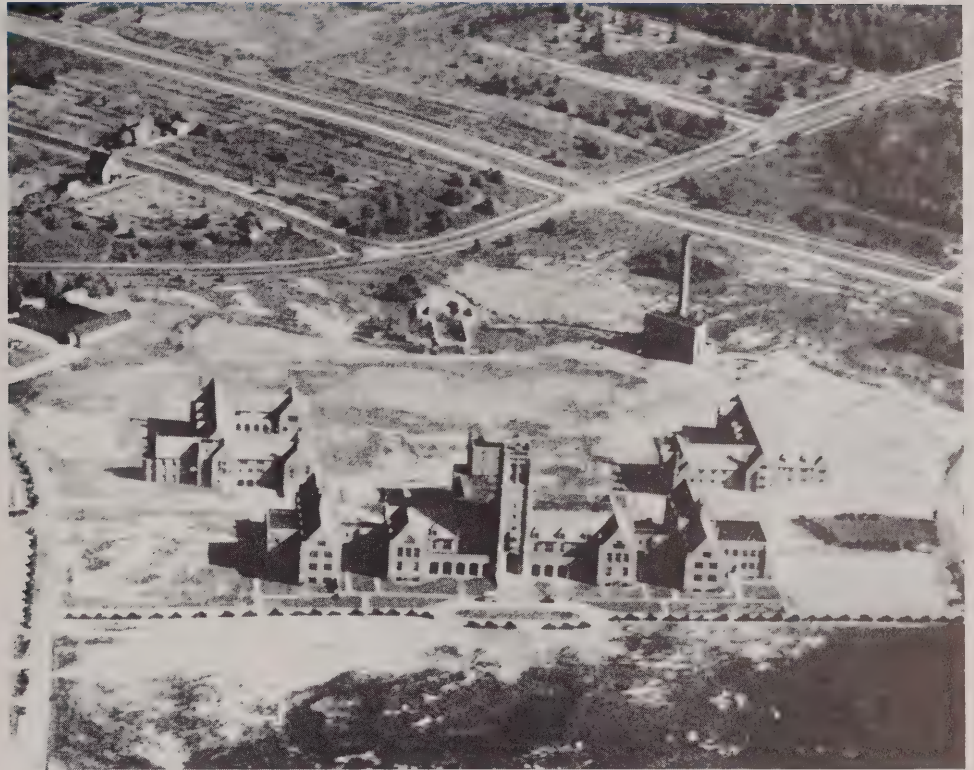

When Dr. Spath leaves John Carroll in August, he will end a career which began in 1950 as a lecturer in philosophy. He is a native Clevelander and a graduate of St. Ignatius High School and John Carroll (A.B. 1948). He continued his studies at St. Louis University, receiving his M.A. and Ph.D. All three degrees are in the field of Latin. Dr. Spath's accomplishments both in professional appointments at the University as director of the department of classical languages (1958-67), dean of the graduate school (1962-67), and coordinator of research (1963-67); in other University services as moderator of the Carroll Union (1958-62), moderator of the Carroll News (1950-55), the Carroll Quarterly (1950-55), and the Carillon (1950-67); he has served as secretary (1956-58) and president (1958) for the Lay Faculty Association and as vice president of the John Carroll University Alumni Association reflect the tremendous contribution he has given to the Carroll community.

Dean Spath's personal achievements in independent publications, the delivery of scholarly papers, and recognition within professional organizations are numerous.

It is significant that besides being a member of the American Philological Association, and the Classical Association of the Middle West and South; he was named to the Executive Board of the Ohio Classical Conference in 1960 after having served as secretary-treasurer (1957-59) and president (1959-60).

Those at Carroll who have benefited from his teaching ability and his friendship regret to see him depart, and yet are sure that this new opportunity will be a fitting challenge for his talents as teacher and administrator.

Streaks Win pac Crown

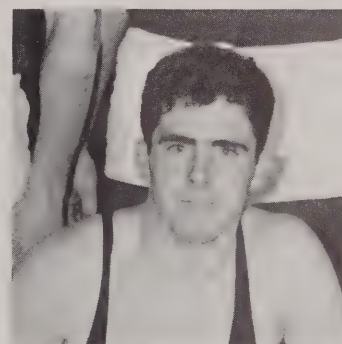

The John Carroll wrestling team entered the President's Athletic Conference throne room when Tom Kirchner won his consolation heavyweight match over Case Tech's Tom Eagle. This championship is the result of three years of hard work by Coach Tony DiCarlo. After suffering seasons of 2-7 and 4-7, this winter's efforts have made our campus the home of another major sport champion.

If PAC foes anticipate a year of rebuilding for the Blue Streaks next year, they will be disappointed. The varsity wrestlers will lose but one man. The three individual champions, Jim Schien, John Parsons, and captain Frank Oberneyer along with all the varsity have given all of Carroll reason to be proud.

Underclass

CANDIDS

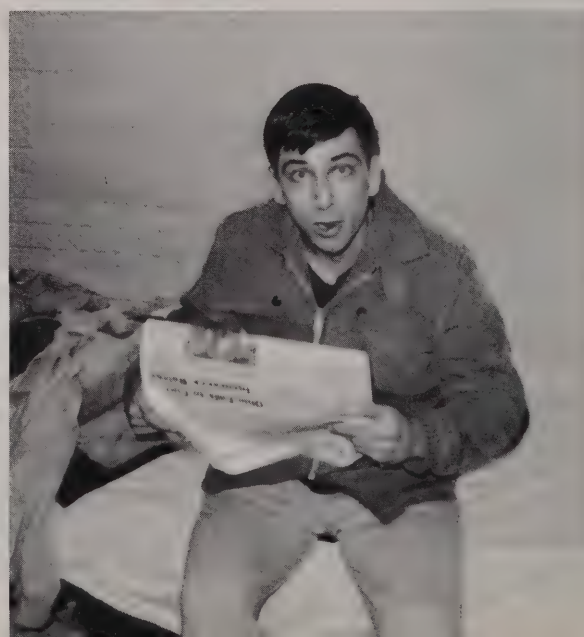

The library provides a place for study.

What can we say?

"This Cleveland night life is great."

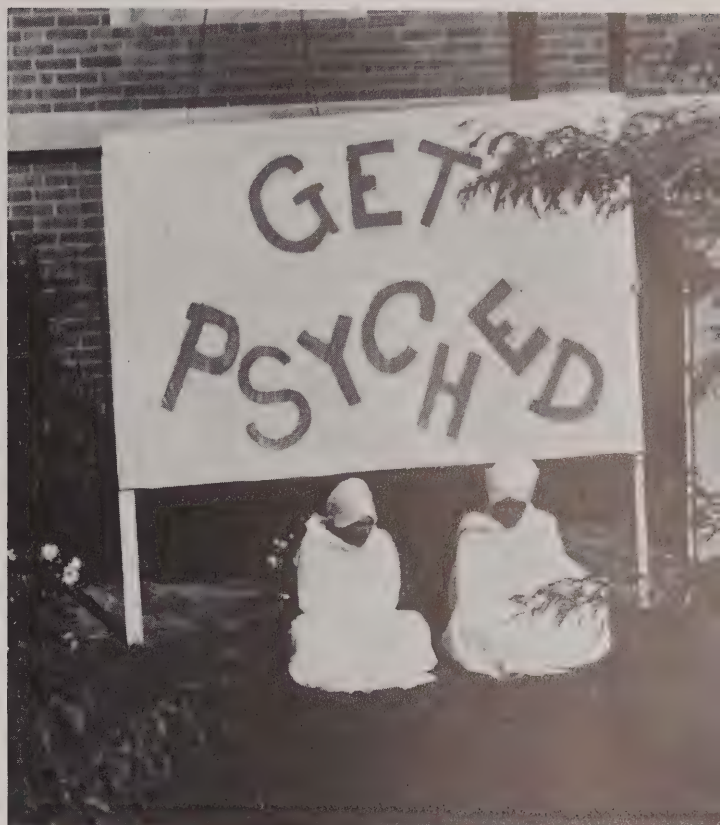

"Hey! We won a basketball game."

"Archie, what big teeth you have!"

"Do you think there was something in the sugar we ate?"

"What do you think?! They're stealing the hubcaps."

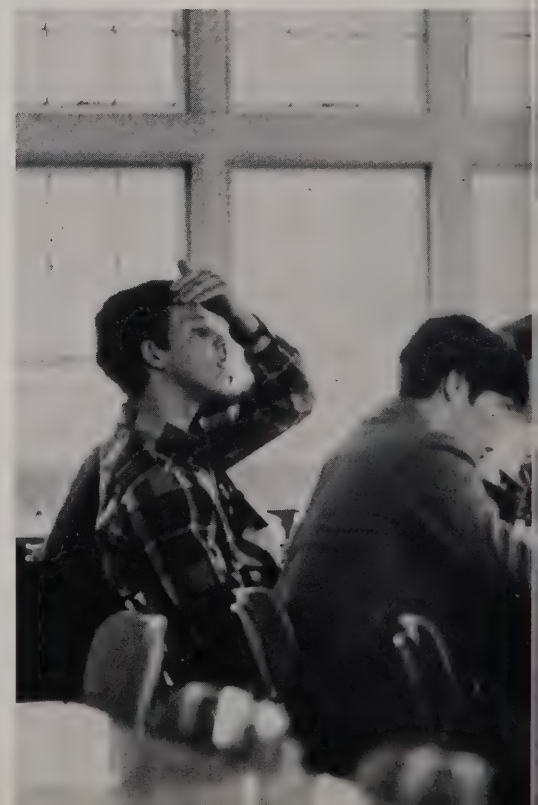

"Well then, how about *arm* wrestling?"

"Take gas."

"Guess what! The mashed potatoes cleared my acne."

"Hey, that's the one I put on the belt last night."

"Then buy it at Woolworths."

"I know what you're thinking."

"They confiscated my *Playboy*!"

"Has anyone seen my horse?"

"Let's see, Whooping Cranes."

"He ate my quarter!"

Look at his footwork.

"_____."

Cheers !

The lighter days of college life
are soon passed for some,
but memories will linger on
for many years to come

Of ivy walls and lecture halls
and friendships next to none,
your mind returns to all you learned
good times with everyone.

But lest you shed a tear or two
when naught returns to mind,
Old friend Bud is still around
best cheer of any kind.

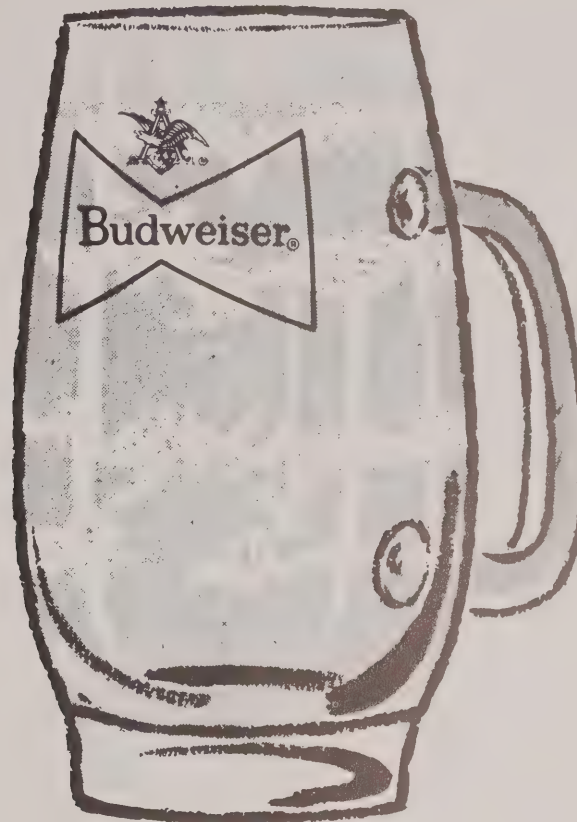

Our sincere best to you wherever you go

THE
ART
OF
PRINTING
AT

Spi.

¶ We take pride in our product. To us printing is not merely a business, it is an art. The dictionary defines art as: Skill, dexterity or the power of performing certain actions, acquired by experience, study, or observation. The quality, production, or expression, according to aesthetic principles, of what is beautiful, appealing, or of more than ordinary significance. ¶ Here at Sukys Printing we take our work seriously. Through quality design and workmanship we hope not only to please our customer but also to produce a product that we can be proud of.

A TIMELY THOUGHT
for
THE CLASS OF 1967

A sheepskin alone will not
assure your future success
. . you've got to work at it.

You've been given the best
in education . . now give
the best in yourself.
